IX. Adjournment

The next USC meeting will be held in August; date to be determined.

Pending Items and Items Referred to Committee

1. OT-223. Annual Review of the Vice Presidents.

After discussion with the President, the Conference decided to invite each vice president to meet with USC each year for a discussion of their accomplishments and priorities. The meetings would take place during the session with the President. These meetings will begin in Fall 2019.

2. OT-320. Salary increments and campus budgeting priorities.

This item was referred to the USC Finance, Budget, and Benefits Committee.

3. OT-333. Travel and Expense Management (TEM) System.

Of particular note concerning cumbersome approval processes is the OBFS TEM System. Purportedly it is taking over 30 days for reimbursements to employees, even for those using their own grant money. The system was supposed to necessitate fewer employees in OBFS to handle travel and expense reimbursements (often by moving more of the responsibility down to the unit level), yet the reason for the delay in reimbursements is supposedly due to fewer employees in this area. Other faculty have raised concerns about the growing requirements for justification, and resultant rejection of justified reimbursements. Is it time to look into fixing this system? This item has been referred to the Finance, Budget and Benefits Committee.

The Executive Vice President's Office is doing a review of the TEM system and invited USC members to participate. An update has been requested.

4. OT-334. Shared Governance – Increasing Efficiency.

While, hopefully, the value of shared governance is not disputed, are there ways to increase efficiency and ensure that the processes of shared governance are also happening in a timely and responsive manner? This item has been referred to the Statutes and Governance Committee.

5. OT-351. Guidelines for Shared Governance and System-Wide Academic and Research Initiatives at the University of Illinois. Approved by USC 1/24/19.

The document was approved at the January 24 meeting and transmitted to various administrators and the senates.

6. OT-352. University Senates Conference Statement on System Governing Documents and Collective Bargaining Contracts. Approved by USC 11/28/18. Transmitted to the Board and various senior administrators 12/5/18.

The statement, which was approved by USC on November 18, was transmitted to the Board of Trustees, President Killeen, Executive Vice President Wilson, and various other senior administrators from the system and the universities.
