Chair, University Senates Conference

Dear Professor Burbules:

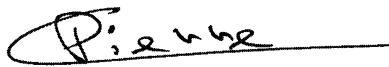

Please find enclosed the University of Illinois Nondiscrimination Statement, with edits that will bring the statement into compliance with federal and state law.

As this statement is included as a preamble in both the *Statutes* and *General Rules* of the University, please refer this matter to the University Senates Conference (USC) for consideration.

The statement will be discussed at the Governance, Personnel and Ethics Committee on October 29, 2015 and will be presented to the Board of Trustees on November 12, 2015. Therefore, I would appreciate receiving your recommendations in time for consideration at these meetings. I apologize for the short notice, and greatly appreciate your timely consideration of this matter in recognition of the importance of being compliant with the changes in the law.

Thank you very much for your attention to this matter.

Sincerely,

Christophe Pierre  
Vice President for Academic Affairs
