UNIVERSITY SENATES CONFERENCE FINANCE, BUDGET, AND BENEFITS COMMITTEE

DATE: Wednesday, November 28, 2018

PLACE: Student Center West, University of Illinois at Chicago

PRESENT: James Brennan, John Dallesasse, Danilo Erricolo, Bettina Francis, Harley Johnson, Magic Wade

ABSENT: Larry Danziger

Prof. Erricolo, Chair, called the meeting to order at 3:30 p.m.

The committee discussed the preparation of the presentation to the Board of Trustees on the topic of "New Partnerships."

The committee agreed that the presentation should focus on success stories about collaborations among each one of the three universities and industry, the community, or other entities, but preferably within Illinois. The presentation may also include a request for help to reduce legislative burdens so that the faculty at the University of Illinois System may have the same level of freedom as faculty at private universities that operate within Illinois.

The meeting was adjourned at 4:00 p.m.
